

CE Announcement

Title – *I'm Precepting a Veterinary Pharmacy Rotation, Where Do I Start? - A Preceptor's Guide to a Veterinary Pharmacy Rotation*

Date and Time of CE Activity – August 2nd, 2024

Location, including city and state – Charleston, SC and home study

Overview – Student interest in veterinary pharmacy is increasing, and most pharmacy schools don't have a curriculum that includes veterinary pharmacy. Therefore, students are looking for APPE rotation opportunities to explore what veterinary pharmacy is all about. Pharmacists/preceptors need to be educated and prepared to offer a rotation that can provide the basic information necessary to prepare a student to fill a prescription safely and accurately for an animal patient. This presentation is meant to guide a pharmacist/preceptor on what basic concepts need to be included in an effective and meaningful veterinary pharmacy APPE rotation.

Overall Activity Goal - The objective of this knowledge-based activity is to give preceptors the basic necessary elements to be covered in a veterinary pharmacy APPE rotation.

Target Audience – This activity is primarily intended for pharmacists and pharmacy students from all practice settings. No prerequisites required.

Learning Objectives – The University of Tennessee College of Pharmacy takes responsibility for the content, quality, and scientific integrity of this CPE activity.

Following completion of this activity, the participant (pharmacist) should be able to:

Pharmacists:

1. Describe the basic components necessary for a meaningful veterinary pharmacy APPE rotation.
2. Identify resources for the pharmacist/preceptor and students to access during the rotation and in practice.
3. Review components of a veterinary pharmacy APPE rotation that have been successful with pharmacists/preceptors who are currently providing approved APPE rotations.

Pharmacy Students:

1. Describe the basic components necessary for a meaningful veterinary pharmacy APPE rotation.
2. Identify resources for the pharmacist/preceptor and students to access during the rotation and in practice.
3. Review components of a veterinary pharmacy APPE rotation that have been successful with pharmacists/preceptors who are currently providing approved APPE rotations

Continuing Education Information – The University of Tennessee College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Successful completion of this knowledge-based activity will provide a statement for 1.5 contact hour of credit (0.15 CEU) and will be available within 48 hours of activity completion. Successfully completing the activity and receiving credit includes: 1) reading the learning objectives and faculty disclosures; 2) participating in the educational activity; 3) evaluating the activity via utcop.learningexpressce.com within 14 days of the scheduled activity date. UAN: 0064-9999-24-083-L/H99-P. CE credit will be submitted to the NABP CPE monitor within 24 hours. *It is recommended that you check your NABP CPE Monitor e-profile database 30 days after the completion of any CE activity to ensure that your credits are posted.*

NABP e-PROFILE ID NUMBER: Pharmacists with questions regarding their NABP e-Profile or CPE Monitor should refer to the FAQ section on the NABP website:

<https://nabp.pharmacy/cpe-monitor-service/cpe-monitor-faqs/>. To receive credit for your participation in this activity, all pharmacists must include their **CORRECT** NABP e-Profile ID number, along with their month and date of birth. If incorrect information is provided, this will result in “rejected” status from the CPE Monitor. *It is the responsibility of the participant to notify The University of Tennessee (within the 60-day submission timeframe) of their corrected information. Otherwise, the completed CE will not be accepted by the CPE Monitor.*

Type of Activity: Knowledge

Fee Information: There is a registration fee associated with this event.

Early Bird Registration:	Registration:
Collegiate/Candidate: \$325.00	\$395.00
Alumni: \$425.00	\$495.00
