

Grand Council 2026

July 30th – August 1st

Title: Briefly Debriefing: An Overview of Debriefing in Pharmacy Education and Practice

Date and Time of CE Activity: Thursday, July 30th, 2026, at 2:15 – 3:45 pm

Location: The Galt House Hotel in Louisville, Kentucky

Overview: Debriefing, when done well, correlates with improvements in knowledge, skills, behaviors, and patient outcomes. However, the quality and consistency of debriefing practices vary widely. Facilitators often lack formal training in structured, evidence-based debriefing techniques and may miss opportunities for reflective learning. The purpose of this activity is to strengthen participants' ability to conduct effective debriefings that promote critical reflection and clinical reasoning. This session will review essential elements of debriefing, including establishing a psychologically safe environment, using a stance of curiosity, and utilizing open-ended questions to explore models of thinking.

Overall Activity Goal: The goal of this application-based activity is to review debriefing and its applications in educational and practice settings.

Target Audience – This activity is primarily intended for pharmacists from all practice settings. No prerequisites required.

Learning Objectives:

Upon completion of these activities, the participant should be able to:

Continuing Education Information – The University of Tennessee College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Successful completion of this application-based activity will provide a statement for up to 1.5 hours of CPE credit (0.15 CEU). Successfully completing the activity and receiving credit includes: 1) reading the learning objectives and faculty disclosures; 2) participating in the educational activity; 3) evaluating the activity; and 4) completing all self-assessment instruments and CE credit submission form. CE credit will be submitted to the NABP CPE monitor within 30 days. *It is recommended that you check your NABP CPE Monitor e-profile database 30 days after the completion of any CE activity to ensure that your credits are posted.*

NABP e-PROFILE ID NUMBER: Pharmacists with questions regarding their NABP e-Profile or CPE Monitor should refer to the FAQ section on the NABP website: <https://nabp.pharmacy/cpe-monitor-service/cpe-monitor-faqs/>. To receive credit for your participation in this activity, all pharmacists must include their **CORRECT** NABP e-Profile ID number, along with their month and date of birth. If incorrect information is provided, this will result in “rejected” status from the CPE Monitor. *It is the responsibility of the participant to notify The University of Tennessee (within the 60-day submission timeframe) of their corrected information. Otherwise, the completed CE will not be accepted by the CPE Monitor.*

Please allow up to 30 days for your credit to appear on CPE Monitor.
